Guiding Principles

1. Financial ability to pay fees for any Burquest program or service shall not be a barrier to any person or family participating in Burquest activities.
2. Persons or families requiring fee subsidies are treated with respect and dignity.
3. Any request for a fee subsidy is dealt with in a confidential manner.
4. All persons and families, regardless of financial status, should be made to feel welcomed and included in the community.
5. Burquest recognizes the importance of volunteerism as well as financial contributions within the community.
6. All members of Burquest are encouraged to contribute to the community through volunteerism. Burquest members who cannot afford to pay fees are provided opportunities to pay what they can afford and to contribute to the community in other ways.

Persons or families who are unable to pay fees may determine, in consultation with the Fee Subsidy Committee, their own ability to pay partial fees, if possible. Fee subsidies are reviewed on an annual basis.
